1. In response to your request of last Friday, the Economic Research Area of ORR has prepared the attached list of individuals whom they feel should be considered for the proposed industrial panel. The time allowed for this review did not permit a detailed examination of the reports of these individuals, and this list is, therefore, based largely on the impressions of ORR analysts. We, of course, can make a more detailed search if you feel that this is required and the time is available.
